Set in the heart of downtown Dover, Table 42 embraces the charming history that belongs to this building built in 1872 as one of three hostelrys and was once known as The Central Hotel. The local train still slowly rocks its way along the side of Table 42 a few times a week to remind us of the days gone by. The aroma of old Italy permeates from our kitchen and blends with the modern American touch at the tables. Become part of the rich history that surrounds you as Table 42 carves it's own story at 42 N. Sussex Street in Dover, NJ.
